Key:

- 1:** Indicates that the club has initiatives happening in their stadium, training areas and/or offices.
- 0.5:** Indicates positive efforts are under way/plans are being developed but haven't materialised fully or they don't fit the full criteria of the category.
- 0:** Indicates we have not found information in the public domain or received information from clubs on activity within this category. We welcome you raising our awareness of activities in these areas by getting in touch: info@sportpositivesummit.com.

* Where clubs are active across an equal number of categories, they are listed alphabetically.
