

**6-7 OCTOBER. EVERYWHERE.**

**BE PART OF**  
**THE AGENDA**

**JOIN US VIRTUALLY FROM  
WHEREVER YOU ARE**

In collaboration with

**SPORT POSITIVE SUMMIT | SPORT POSITIVE SUMMIT | SPORT POSITIVE SUMMIT | SPORT POSITIVE SUMMIT**

## **COMING AT YOU LIVE AND INTERACTIVE ON 6-7 OCTOBER**

- **ICYMI: THIS YEAR WE ARE CONVENING FULLY VIRTUALLY, ONLINE**
- **So wherever you are in the world, you'll be able to join us live, without travel and accommodation costs, or time out of the office**
- **Live content for Asia-Pac | Europe, Middle East and Africa | The Americas**
- **For 3 hours on each time zone on 6<sup>th</sup> and 7<sup>th</sup> October (with comfort breaks built in), you'll tune in to brilliant, interactive sessions and can choose group networking and set up 1-2-1 meetings around this at a time that suits you**
- **The agenda is the same for every time zone, but each will have different speakers and stories to tell**
- **You get access to all session recordings afterwards - no matter what time zone it took place in. Only sessions not recorded are Virtual Roundtables (live only, Chatham House Rule)**
- **There will be heaps of pre-recorded content you can access in the weeks around the Summit, aligned with your focus area and needs**
- **A virtual bounty of content, networking and progress, without the carbon footprint**

<b>14:00 - 17:00</b>	<b>New Zealand Daylight Time (NZDT)</b>

**JOIN YOUR TIME ZONE SESSION, OR GET UP EARLY AND STAY UP LATE TO CATCH IT ALL. YOU CAN WATCH EVERYTHING BACK (EXCEPT ROUNDTABLES).**

**DAY ONE: 6 OCTOBER**

Same agenda, different perspectives across all time zones. Join all and any you want live, and catch up on session recordings.

**HOUR 1: THE SHIFT**

JOIN LIVE  
WATCH BACK

**The Sport Positive Summit Debate: Nobody puts sustainability in the corner**

Reframing sustainability and climate action as impossible to ignore. Not as a responsibility, but aligned to organisational priorities, catalyst of commercial value and leveraged to create lasting competitive advantage and long-term growth.

**HOUR 2: ACCELERATE ACTION**

JOIN LIVE  
WATCH BACK

**HOUR 3: PROVE IMPACT**

JOIN LIVE  
WATCH BACK

Choose your stream live or bop about different sessions or discussions that you like. Get access to recordings afterwards. You won't miss a thing. ----->

**The Business Case**

---

Connect sustainability to commercial benefits and organisational value.

- Understand business objectives
- Ensure business case for impact is created and communicated
- Build and articulate business cases that demonstrate impact and value creation
- Sustainability as a driver of revenue growth, fan engagement and brand equity
- Sponsorship and brand alignment - getting sustainability into the pitch deck

**Risk & Resilience**

---

Build resilience and manage risk in a changing world.

- Enhance operational resilience and business continuity
- Address climate, regulatory and compliance risks
- Manage reputation and stakeholder expectations
- Balance performance objectives with growing external pressures
- Anticipate future challenges through strategic risk planning

**Storytelling**

---

Integrate sustainability messaging to cut through.

- Build narratives that actually resonate, create connection and impact
- Engage fans, sponsors and stakeholders with stories that resonate
- Align with comms, don't make more work
- Build trust and avoid greenwashing
- Use storytelling to drive action, influence and value
- Make it fun!

**Reduce Impact**

---

Reduce environmental and operational impacts.

- Insights across travel, venues, food, water, waste and event footprints
- Leverage data to inform decisions, measure progress and demonstrate value
- Transform supply chain and procurement for resilience
- Long-term carbon and resource reduction strategies

**Governance**

---

Governance, standards and leadership driving measurable change.

- Embed sustainability into governance structures and strategy
- Build structures that enable action, transparency and long-term impact
- Deliver credible ESG reporting and compliance
- How to create clear roles, responsibilities and mechanisms for measuring progress

**Social Impact & Community**

---

Sport for good. Social impact and community outcomes.

- Align social and enviro for grassroots and community programmes
- How to expand inclusion, accessibility and participation across all levels of sport
- Embed social impact in organisational strategy
- Incorporate nature into org and community

**DAY TWO: 7 OCTOBER**

Same agenda, different perspectives across all time zones. Join all and any you want live, and catch up on session recordings.  
Note: On this day, the interactive roundtables and workshops are live only (not recorded) and under Chatham House Rule

**90 MINS: INTERACTIVE  
ROUNDTABLES & WORKSHOPS**

LIVE ONLY

**Learn and network: Connect with colleagues on key topics or get the inside track through expert-led workshops**  
Topics to include: risk and resilience, strategy, the business case, storytelling, commercial, operations, fan engagement, major events, community, partnerships, energy, apparel, venues, circularity and reuse, data, technology and many more. From beginner to advanced.

**90 MINS: ACCELERATE ACTION & PROVE IMPACT**

JOIN LIVE

WATCH BACK

Choose your stream live or bop about different sessions or discussions that you like. Get access to recordings afterwards. You won't miss a thing.

**Business & Commercial**

---

Respond to shifts and be better placed to thrive in an increasingly uncertain future.

- Understanding the commercial implications of climate change
- Meet evolving expectations from sponsors, fans and stakeholders
- Identify opportunities for innovation, growth and differentiation
- Navigate emerging regulations and market pressures

**Comms, Content & Marketing**

---

Connect sustainability to comms priorities, audiences and objectives.

- How to integrate sustainability stories into comms goals and content priorities
- Engage key audiences through relevant and compelling narratives
- Avoid greenwashing and manage reputational risk
- Learn how to respond to fan criticism or conflict

**Operations & Facilities**

---

Reduce environmental and operational impacts.

- Build a baseline to measure progress and inform decisions
- Identify the biggest environmental impacts across operations and events
- Embed sustainability into day-to-day operations and planning
- From quick wins to long-term change

**Strategy**

---

Integrate sustainability for organisational resilience, growth and reputation

- Align sustainability with organisational priorities and business objectives
- Embed sustainability into strategic decision-making
- Focus resources to create the biggest impact and value
- Practical roadmap to balance ambition and action

**Systems Change**

---

Collective action to supercharge progress towards shared goals.

- Use systems thinking to tackle root causes rather than symptoms
- Align around shared outcomes and priorities
- Leverage collective expertise, networks and assets
- Maximise impact by reducing duplication of effort
- Break out of silos to accelerate progress and increase capacity

**Wildcards & Outside The Box**

---

Agenda space for those brilliant ideas that don't quite fit anywhere else but absolutely have to feature.

**DON'T FORGET**  
**We are fully virtual this year. All of this, + networking. No travel necessary.**
